

# The Primrose

**Front Elevation**

Sensational three-bedroom + plus ranch, with a sumptuous master suite, complete with his and her walk-in closets, glorious master bath with an adjoining laundry room, a sitting room, which opens to a huge deck, which is flanked

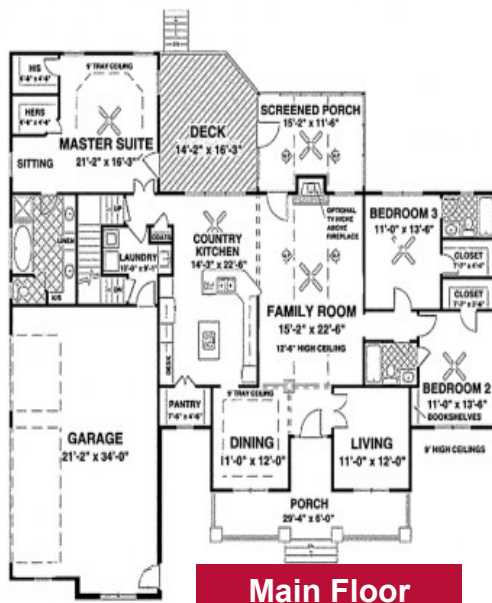

by a screened-in porch as well! This home is completely loaded with every imaginable amenity from separate formal living and dining rooms, to a massive open family room and huge country kitchen, complete with walk-in pantry, solid granite countertops, fine hardwood flooring, stainless appliances, which are standard fare, and multiple doors, which lead either to the screen porch or outside deck. Two additional bedroom suites, complete with their own (optional) private baths and walk-in closets, surprise one with the spaciousness and well-designed living space in this magnificent home!

Continue down to the lower level and be completely "wowed" by an entire level of optimum entertainment at it's best, with a gaming area, incredible home theater and additional family recreation room! A stunning in-law apartment complete with kitchenette, bath and leading to a private terrace, as well, makes this home simply sensational! Choose your customizing, with a three or four car garage, or Dream Oasis, to complete this masterpiece!
